Hi, I'm Shuk, come from Taiwan. Now, I'm on the way to Full Stack engineer. This website is my resume, may take a look for a while, and you'll know me better of what you need.

I love adventures, any kind of them. You can realize it from the following photos [it's scrollable in horizontal]. Sometimes, you meet different people and communicate with them will get a lot of thinkings. Let's walk out of door, through every path in the world, and create new one.
